Financial Arrangements

Please read and sign below:

Payment for services is expected at the time service is provided. If treatment requires multiple appointments, payment may be divided over the number of appointments. Cash and personal checks are accepted. If an extended payment plan is desired, please ask us about the CareCredit program. MasterCard, VISA, Discovery and American Express credit card payment are also welcome. For charges of \$500 or greater, a deposit of 10% is due at the time of service. For all balances over 90 days a finance charge of 1.5% will be applied. If you have any questions, please feel free to ask.

If you have dental insurance...

As a courtesy, we will file your claim for you. We may accept direct payment from most insurance companies. We will estimate your deductible and the portion not covered by you insurance, which is due at the time of treatment. Our estimates may be different than your insurance company's calculations; therefore, the amount due our office may be adjusted accordingly. You may find that our fees may be different from the insurance company's schedule of "allowable" or "UCR" fees. If you have questions about "UCR" fees, please feel free to ask. All services rendered are charged directly to the patient, and the patient is ultimately responsible for the account regardless of insurance coverage. Any insurance claims denied or remaining unpaid after 60 days will automatically become the responsibility of the patient.

Cancellation Policy

If you are unable to keep an appointment, kindly give our office a 24 hour notice. There is a lot of time that goes into preparing for your visit. For this reason, a fee of \$35 will be charged to your account for appointments that are not cancelled.
